REMARKS

Applicants point out that no amendments were made to Digital Micrographs 1-5 previously submitted as part of the Substitute Specification on February 1, 2006. To comply with the Notice of Non-Compliant Amendment which states under section 3(A) "Amendments to the Drawings" that "the drawings are not properly identified in the top margin as 'Replacement Sheet', 'New Sheet' or 'Annotated Sheet' as required by 37 CFR 1.121(d)", and per my communications with Legal Instruments Examiner Anita Johnson, Applicants enclose Digital Micrographs 1-5 labeled as "Replacement Sheets." As no amendments have been made, no new matter has been added.

If there are any questions regarding this response, the Office is invited to contact the undersigned.

Respectfully submitted,
